

CHILDREN'S CENTRE CATCH UP

JANUARY 2020

HAPPY NEW YEAR!

We would like to take this opportunity to say **Happy New Year** and a warm welcome back to you all, we hope you enjoyed the festive season. A massive thank you to everyone who helped make 2019 such a great experience.

We hope you enjoy accessing all the different activities, courses and sessions we have in the North Lambeth Cluster for the New Year!

Children's Centre Consultation North Lambeth Cluster

As you may know we had a large consultation regarding the services that will be offered in Children's Centres across Lambeth last year. In the North of the borough it was decided that Coin Street Children's Centre would close and that Ethelred, Henry Fawcett and St. Stephens Children's Centres would merge and become a service called the North Locality, with one team now working across all three of the sites.

The centres will be offering a full programme of activities every morning and afternoon throughout the week. Services available will include health visiting services, stay and play, crèches, parenting support and adult learning activities such as English for Speakers of Other Languages (ESOL) classes.

A Better Start

Better Start services are the services provided by Lambeth to support young children and their families. Services are available to support families during pregnancy, all the way through to when children are ready for school. View your local Better Start area timetable online at:
